

USER AGREEMENT

_____ (“User”) enters this agreement for the benefit of the Oil & Gas Division of the North Dakota Industrial Commission.

The Division has information about North Dakota’s oil and gas industry at its Internet web site. User wishes to access this service.

The Division has agreed to provide User access to the service in return for User’s payment of a fee. The amount of this fee may change from time to time. Future services may include additional fees. The service has special features that can be accessed for an additional charge. If User accesses these services, User is responsible for the charges incurred and agrees to submit payment upon receipt of an invoice.

The Division will provide User a USERID and password by which User may access the service. Only User is entitled to use the USERID and password. User will not allow anyone else, either intentionally or through carelessness, to use the USERID and password assigned to User. If this term is violated, the Division may cancel User’s access to the service and may decline to allow User future access to it. If User is an entity, such as an oil and gas company, its USERID and password may be used by any of its officers and employees.

DISCLAIMER. The service to which User will have access is provided without any implied or express warranty of any kind. No guarantee or warranty, express or implied, is made regarding the accuracy or utility of the service’s content. Furthermore, while the Division will use reasonable efforts to keep the service always open, working, and up-to-date, at times it may be unavailable.
